

WTF 1.01 - Everything You've Been Taught Is a Lie (Or Worse)

Opening

They told you the Earth spins, your vote counts, and history is carved in stone.

They told you science is settled, medicine is safe, and space is real.

They lied.

What you've been taught was never for your benefit.

It was for theirs - to bind your mind, blur your memory, and box your reality.

We aren't dealing with accidental errors in textbooks.

We're looking at systemic, generational mind control.

The Real Curriculum

Ask yourself:

- Why does school teach obedience instead of critical thinking?
- Why is war glorified but Nikola Tesla erased?
- Why do doctors get zero training in nutrition?
- Why is truth censored while propaganda goes viral?

Because knowledge isn't power until it's controlled.

What They Taught vs What They Hid

Taught	Truth Hidden
----- -----	
You live on a spinning ball	The Earth may be flat, domed, enclosed
Space is a vacuum	The firmament has never been broken
Viruses cause pandemics	Terrain and frequency may matter more
9/11 was terrorism	Controlled demolition, false flags, inside jobs
You came from monkeys	You may be divine, eternal, and coded with light
The media is free and fair	Smith-Mundt Act legalized propaganda in the USA
Earth is overpopulated	Most land is untouched, population clustered

What You Remember Isn't What Happened

Somewhere deep inside, you *know*.

WTF 1.01 - Everything You've Been Taught Is a Lie (Or Worse)

You remember buildings that didn't exist.

You recall timelines that never were.

You've *felt* the glitch. You've *seen* the seams.

This isn't just misinformation. It's a misreality.

This Is Not a Post. This Is a Signal.

Your mind has been farmed.

Your consent, manufactured.

Your reality, engineered.

This file is not asking you to *believe*.

It's daring you to *un-know*.
